Summary Statements

- Page 4 **A Summary of Plans**
Eighty eight percent of students in the Class of 2014 (289 graduates) attended four-year colleges. The overall percentage of graduates who plan to continue their formal education now stands at 96%.
- Page 17 **SAT**
The class of 2014 achieved at a higher level than those in the previous years. The Critical Reading score rose by 22 points, while the mean score in Math increased by 24 points. There was a 12 point rise in Writing as well.
- SAT Critical Reading**
The Critical Reading score of Hingham students rose by 22 points from last year's score to a mean of 573. Hingham's score is 57 points higher than the state average. The national average score is 497. Hingham students score 76 points higher when compared to the national group. Hingham students continue to compare very favorably to both groups.
- SAT Math**
The Math score of Hingham students increased by 24 points this year. Hingham's mean score is 60 points above the state average. Hingham students beat the national average by 78 points.
- SAT Writing**
Hingham's mean Writing score was 571, a 11 point increase from the previous year's class. Hingham's mean score continues to outpace both the state and national averages. The class of 2014 scored 62 points higher than their peers in Massachusetts and 84 points higher than students nationally. Hingham students far outperform their peers which may indicate the strength of our writing program. Few colleges use the writing score in their evaluation of a student's application and some schools use the score strictly for placement in classes.
- Page 20-21 **Biology SAT Subject Tests**
In Hingham, the Biology test (Ecological or Molecular) is usually taken by honors level students upon completion of the course in the 9th grade year. The Hingham curriculum lends itself more to the Ecological focus. Students are generally not exposed to molecular concepts until they have completed chemistry, typically taken in the sophomore or junior year at Hingham High School. The mean score of Hingham students on the Biology–E exam rose for this year's class by 20 points achieving a mean of 673. Fewer students typically sit for the Biology Molecular exam. Only 7 students did so in the class of 2014 earning a mean of 675, an increase of 5 points over the previous year.
- Page 22 **Chemistry SAT Subject Test**
The Subject Test in Chemistry is usually taken at the end of the 10th grade year in Hingham as compared to at the end of the junior year in the rest of the state and country. Hingham's mean Chemistry score was 675, an increase of 5 points. 24 students sat for this exam. Hingham students still beat the state mean by 19 points.

Page	23	English Literature SAT Subject Test The mean score for the Class of 2014 rose by 31 points. This year ten more students sat for the exam (28). Hingham's mean score of 654 is above the state mean of 627 and well above the national mean of 619.
Page	24	Mathematics Level I SAT Subject Test Scores for students in the class of 2014 increased by 9 points compared to the previous year, earning a mean of 658. Hingham students continue to compare very well to the rest of the nation. They scored 26 and 37 points higher than both the state and national average respectively.
Page	25	Mathematics Level II SAT Subject Test The mean score of 703 on the Math Level II rose by 30 points from the previous year's mean of 673. A mean score above 700 certainly is impressive.
Page	26	Physics SAT Subject Test The number of Hingham test takers in physics more than doubled in 2013 and continued to grow to 39 test-takers in 2014. Students continue to perform well achieving a mean of 686, and increase of 14 points over the previous year. Our test takers out-perform the state and nation by 28 and 19 points respectively.
Page	27	Spanish SAT Subject Test The mean score for the Class of 2014 increased by 18 points compared to the previous year, earning a mean score of 654. Hingham students scored 34 points higher than their state counterparts and 3 points higher than the national average. This is most likely attributed to the number of native Spanish speakers who sit for the test.
Page	28	United States History SAT Subject Test The mean score on the US History exam increased by 14 points. Twelve more students than the previous class, 50 students, elected to take the exam. More Hingham students sit for this Subject Test than any other. Hingham students continue to out-perform the state and nation by 27 points each.
Page	29	World History SAT Subject Test Since the addition of AP World History in the sophomore year, more Students feel that they are well prepared to take the World History Subject Test. Hingham has seen as many 32 students (class of 2010) take the World History Subject Test. The class of 2014 saw a decrease of 11 students (7) sit for the exam. The mean score for the class of 2014 was 707, a 24 point increase over the previous year. Hingham students scored 87 and 81 points higher than their state and national counterparts respectively.
Page	30	SAT Subject Test Participation Rates Hingham students take the SAT Subject Tests at a fairly high rate with 43% of the class of 2014 participating. 24% of Massachusetts students and 15% of students nationally do the same. Most colleges that require SAT Subject Tests are the more competitive schools.

- Page 31 **ACT**
The number of Hingham students who sit for the ACT dropped from 96 to 63 members of the Class of 2014 participating in the exam. This year's scores were similar to those of the previous year. The mean composite score of Hingham students was a 25.6 compared to 24.3 and 21 in the state and nation respectively.
- Page 32 **Advanced Placement Exams**
Of the 239 graduates of Hingham High School in May 2014, 113 seniors took 283 Advanced Placement exams. Approximately 47% of the graduating class participated in the AP program by taking one or more exams. In total, 238 students took 457 exams. The impressive level of competence demonstrated by our students proves that they are truly ready for college level work. This year Hingham was one of 45 Massachusetts school districts to be named to the College Board's 2014 AP District Honor Roll for **expanding access to Advanced Placement (AP)** curriculum and maintaining or improving the percent of students scoring 3 or higher.
- Page 33 **AP Mean Grades**
The mean grades of Hingham students continue to be strong. With 47% of the graduates taking an AP class, our students are demonstrating mastery of college level content in their senior year.
- Page 34-35 **AP Course Enrollment and Percent of Grade 3 or Better**
Seventeen different AP exams were taken during the 2013-2014 school year. 47% of the senior class participated in the AP program by taking at least one AP class. 15 of the 17 exams taken by Hingham students saw at least 90% of students score a 3 or better.
- Page 37 **AP Scholars**
91 of the 238 candidates (38%) who took AP exams were named AP Scholars. Two of our students were named National Scholars. This award is granted to students who receive an average grade of 4 or higher on all AP exams taken and a grade of 4 or higher on eight or more exams. One student earned the honor of the AP International Diploma which is a globally recognized award for students interested in pursuing university study outside of their native country. It requires students to display mastery on AP Exams across several disciplines and represents an exceptional level of achievement. Students must earn scores of 3 or higher on five or more total AP Exams based on the exam criteria requirements.
- Page 38 **National Merit Scholarships**
14 students or 5% of the graduating class earned recognition from the National Merit Scholarship Corporation. There were no semifinalist designated students in the Class of 2014, however 14 students received commendation for their achievement on the test.

SAT SUBJECT TESTS

The SAT Subject Tests, which some colleges require for admission or placement purposes, are one-hour multiple-choice tests in specific subjects. Unlike the SAT Reasoning Test which measures more general abilities, the SAT Subject Tests measure knowledge of a particular subject and the ability to apply that knowledge. 99 students took 283 subject tests in 2014. The average SAT scores of those students (97) who took both the SAT and Subjects Tests were

Critical Reading 649

Mathematics 669

Writing 653

43% of Hingham students who take the SAT also take SAT Subject Tests compared with 24% in Massachusetts and 15% nationwide.

Some of the more than 20 Subject Tests offered are:

- Biology-Ecological
- Biology-Molecular
- Chemistry
- English Literature
- World History
- French, French with Listening
- Latin Literature
- Mathematics Level I
- Mathematics Level II
- Physics
- Spanish, Spanish with Listening
- US History
- World History

Some colleges require various combinations of Subject Tests, and some colleges allow students to choose which test scores to report. Many colleges do not require students to submit Subject Tests for admission.

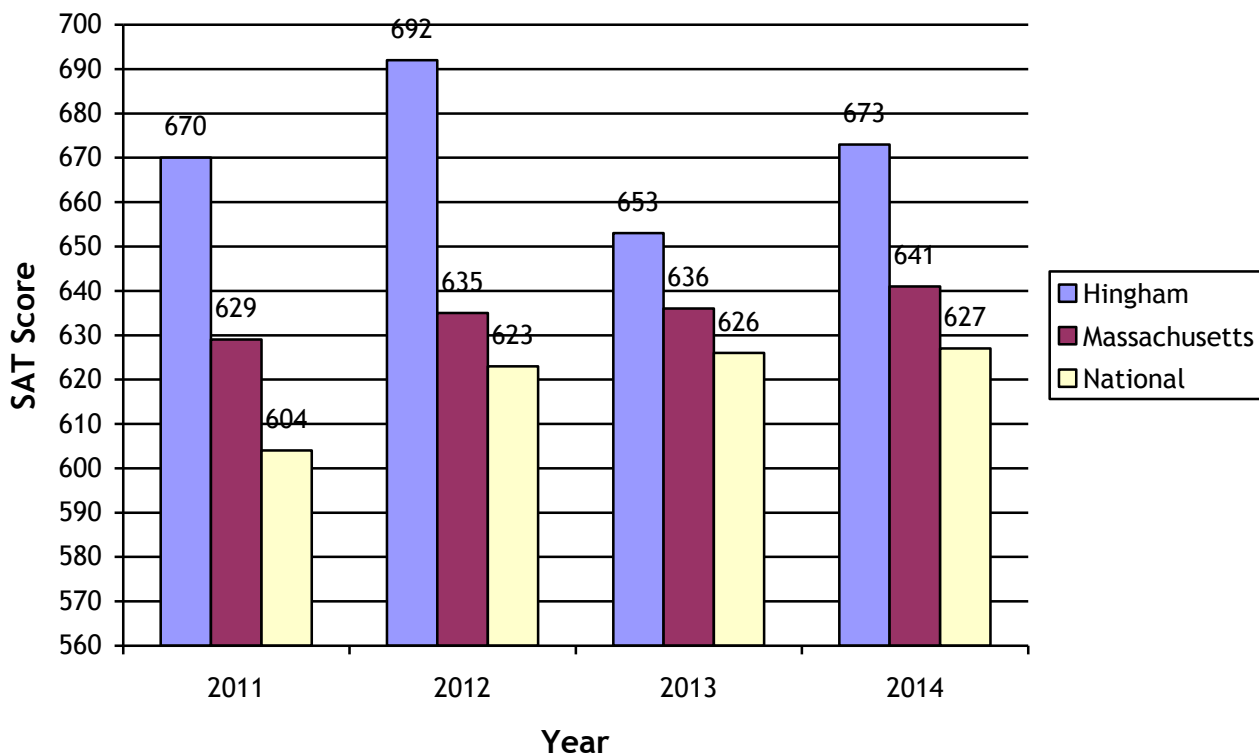

NOTE: Hingham students who take the Biology Subject Test generally do so at the end of grade nine. Similarly, Chemistry Subject Tests are usually taken at the end of grade ten. Most students who participate in additional subject testing do so at the end of their junior year.

Hingham Advanced Placement Programs at Hingham High School In Which 2014 Graduates Participated

The Advanced Placement (AP) program consists of a series of college – level courses and exams for secondary school students. Only about 33% of the nation's secondary schools offer such a program. Satisfactory completion of an Advanced Placement examination makes it possible for a student to earn college credit or advanced standing in college prior to arrival on the college campus.

Of the 239 graduates of Hingham High School in May 2014, 113 seniors took 283 Advanced Placement exams. Approximately 47% of the graduating class participated in the AP program by taking one or more exams. In total, 238 students took 457 exams.

Examinations were taken in the following subjects:

Biology
Calculus AB
Calculus BC
Chemistry
Chinese Language
English Literature & Composition
English Language and Composition (41 juniors)
European History
French Language & Culture
Music Theory
Physics C E&M and Mechanics
Spanish Language
Spanish Literature & Culture
Statistics
Studio Art: 3-D Design
US History (89 juniors)
World History (21 sophomores)

Note: Studio Art is not included in the following data because there are too few students to provide meaningful data

Hingham High School Advanced Placement Scholars

AP Scholars are designated in recognition of their exceptional achievement on the college level Advanced Placement (AP) examination. Nationally only 21% of the more than 2.2 million students who took AP exams in May 2014 performed at a sufficiently high level to merit such recognition. In Hingham, 36% of the 237 candidates were so honored.

The **AP Scholar** award is granted to students who receive grades of 3 or higher on three or more AP exams.

The **AP Scholar with Honor** award is granted to students who receive an average grade of at least 3.25 on all AP exams taken, and grades of 3 or higher on four or more of these exams.

The **AP Scholar with Distinction** award is granted to students who receive an average grade of at least 3.5 on all AP exams taken and grades of 3 or higher on five or more of these exams.

The **AP National Scholar** is granted to students in the US who receive an average grade of at least 4 on all AP exams taken and grades of 4 or higher on eight or more of these exams.

The **AP International Diploma** is a globally recognized award for students interested in pursuing university study outside of their native country. It requires students to display mastery on AP Exams across several disciplines and represents an exceptional level of achievement. Students must earn scores of 3 or higher on five or more total AP Exams based on the exam criteria requirements.

**Hingham High School
National Merit Scholarship Corporation**

Merit scholars are identified from their performance on the PSAT/NMSQT. A student who is identified as a "semifinalist" is one who has scored in the top half of one percent of each state's high school senior class. Scholarship awards made to semifinalists identify those students as finalists. Semifinalists bring honor to their schools and their parents. However, it is the individual student who is recognized in the merit program for outstanding test performance that indicates exceptional academic promise.

Commended students are those who scored among the top two percent of merit program participants who took the qualifying test. Commended students have also demonstrated exceptional academic promise.

National Merit Scholarship Summary
