## SAT Subject Tests

The SAT Subject Tests, which some colleges require for admission or placement purposes, are one-hour multiple-choice tests in specific subjects. Unlike the SAT Reasoning Test which measures more general abilities, the SAT Subject Tests measure knowledge of a particular subject and the ability to apply that knowledge. 94 students took 265 subject tests in 2015. The average SAT scores of those students (92) who took both the SAT and Subjects Tests were

Critical Reading 651

Mathematics 659

Writing 650

33.6% of Hingham students who take the SAT also take SAT Subject Tests compared with 22% in Massachusetts and 13% nationwide.

Some of the more than 20 Subject Tests offered are:

- Biology-Ecological
- Biology-Molecular
- Chemistry
- English Literature
- World History
- French, French with Listening
- Latin
- Mathematics Level I
- Mathematics Level II
- Physics
- Spanish, Spanish with Listening
- US History
- World History

Some colleges require various combinations of Subject Tests, and some colleges allow students to choose which test scores to report. Many colleges do not require students to submit Subject Tests for admission.

NOTE: Hingham students who take the Biology Subject Test generally do so at the end of grade nine. Similarly, Chemistry Subject Tests are usually taken at the end of grade ten. Most students who participate in additional subject testing do so at the end of their junior year.

AP Scholars are designated in recognition of their exceptional achievement on the college level Advanced Placement (AP) examination. Nationally only 23% of the more than 2.4 million students who took AP exams in May 2015 performed at a sufficiently high level to merit such recognition. In Hingham, 45% of the 228 candidates were so honored.

The **AP Scholar** award is granted to students who receive grades of 3 or higher on three or more AP exams.

The **AP Scholar with Honor** award is granted to students who receive an average grade of at least 3.25 on all AP exams taken, and grades of 3 or higher on four or more of these exams.

The **AP Scholar with Distinction** award is granted to students who receive an average grade of at least 3.5 on all AP exams taken and grades of 3 or higher on five or more of these exams.

The **AP National Scholar** is granted to students in the US who receive an average grade of at least 4 on all AP exams taken and grades of 4 or higher on eight or more of these exams.

The **AP International Diploma** is a globally recognized award for students interested in pursuing university study outside of their native country. It requires students to display mastery on AP Exams across several disciplines and represents an exceptional level of achievement. Students must earn scores of 3 or higher on five or more total AP Exams based on the exam criteria requirements.

**Hingham High School  
National Merit Scholarship Corporation**

Merit scholars are identified from their performance on the PSAT/NMSQT. A student who is identified as a "semifinalist" is one who has scored in the top half of one percent of each state's high school senior class. Scholarship awards made to semifinalists identify those students as finalists. Semifinalists bring honor to their schools and their parents. However, it is the individual student who is recognized in the merit program for outstanding test performance that indicates exceptional academic promise.

Commended students are those who scored among the top two percent of merit program participants who took the qualifying test. Commended students have also demonstrated exceptional academic promise.
