## PARENT INFORMATION FORM

As parents or guardians, you have had the unique opportunity to watch your children grow and develop over their lifetimes. You obviously have knowledge and insights about them that no one else can have. Please use this form as a place to provide any information which you think might be helpful to us or to college admissions officers when considering your child as a candidate for college admissions.

Providing parent information is entirely optional. The specific format of our form is not intended to limit you. If you feel not appropriate, but you wish to provide comments, please attach a letter in place of the form. If you choose to use the form, do not feel compelled to respond to every question. Also, you may duplicate this form if a non-custodial parent wishes to provide information.

This form provides useful information for the counseling staff. The form itself is NOT sent to colleges. If you would like to discuss this form or any aspect of the college admissions process, please call the School Counseling Office at 781-741-1560, extension 2116 or email your student's counselor.

When completed, please return to your student's counselor at the address above.

Thank you and please do not hesitate to contact us with questions or concerns.
